

A new hot poster -- P25

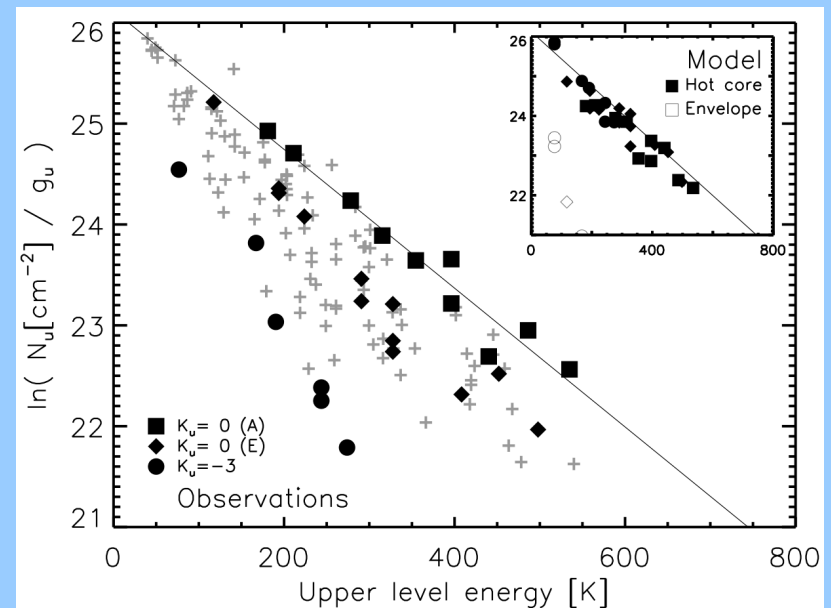

M. Kama, C. Dominik, S. Maret, F. van der Tak, E. Caux, C. Ceccarelli,
A. Fuente, N. Crimier, S. Lord and the CHESS Key Programme

First results on
methanol in OMC2-FIR4 from
a HIFI spectral survey:

Asymmetric lines

A hot T_{rot}

Conclusions:

Further observations of
this poster are desperately
needed.
