15 March official launch of the shuttle bus between ESTEC and Amsterdam airport

11 March 2010

After the successful pilot run in 2009, the taxi shuttle between ESTEC and Schiphol Airport will now officially start on March 15th 2010. All ESA travellers are invited to use it. Help save our environment, every shared trip reduces our carbon footprint - over a year this adds up to a staggering 91,000 Kg of Co2 NOT being released into the atmosphere!

How to reserve

Reservations should be made at least one hour in advance directly with

- the ESTEC Reception: ext. 54000, Estec.Reception@esa.int
- or Taxi Brouwer: tel. +31-71-361 1000, info@taxibrouwer.nl

A one-way voucher for the shuttle costs 15 and it comes in two parts, one to be handed over to the driver of the shuttle bus and one that remains with the traveller as a receipt.

Vouchers may be purchased on the bus, however, in order to minimise the waiting time, it is desirable to purchase them before at the ESTEC mail room located in the A building. At this moment payment with credit card is not possible.

Several vouchers may be purchased beforehand, yet they can be claimed as travel cost when they are actually used on a mission.

The shuttle will save the Agency hundreds of thousands of Euros in travel cost per year.
